

Trip to Whakapapa, 19 April 2009

On the morning of 19 April, Kath and intrepid new membership trainees Sarah, Julie and Saul headed on up to Whakapapa for the RAL mountain clean-up. Unfortunately, there was a mix up of days and times (not my fault, honest!) and so we found ourselves admiring the new decking on Lorenz's cafe but without much else to do. So, being the intrepid sort, and it being too early for happy hour, we decided to head off to Taranaki Falls. It was a lovely day and a lovely walk, worthwhile viewing for the newbies who are originally from England and now making their home in NZ. We are all now looking forward to the food-carry work party on Queens Birthday weekend and also the 1920's Jazz party down in Lorenz's. See you there and bring on the snow!!
